Dear Gerard and Ben—attached are proposed case management orders for the NECC MDL. We did not fill in dates for most of the events because we need to discuss process and sequencing first. But we expect that it provides a good framework for the discussion. We are still working on a proposed form for Plaintiffs' Fact Sheet and will get that to you shortly.

I am copying Gideon and Matt Cline, who represent a number of the Tennessee defendants as well.

We look forward to your thoughts and comments.

Thanks, and have a lovely evening!

Marcy
